Four Socialist Companions Receive Like Penalties for Obstructing Draft.

ALL POSE AS MARTYRS

Congressman - elect Says Americanism Is "Synonymous With Capitalism."

HE PREPARES TO APPEAL

Editor Asserts He Retracts Nothing That He Has Said or Written.

CHICAGO, Feb. 20 .- A maximum sentence of twenty years in Leavenworth prison was imposed to-day by Federal Judge Landis on Representative-elect Victor L. Berger of Milwaukee and four other Socialist leaders, who in final pleas likened themselves to history's greatest martyrs.

The five men, convicted of conspiracy to obstruct the draft in violation of the esplonage act, succeeded in obtaining release on \$25,000 bail from Judge Alschuler and asserted they would carry their legal fight to the United States Supreme Court.

Besides Berger, publisher of the Mil-waukee Leader, the other convicted men

Transport George Washington One or Both Will Sweep Land Unless Food Is Supplied, Say Inquirers.

Grows, Adding to Threat of Bolshevism.

By the Associated Press. Paris, Feb. 20 .- The need for revic ualling Germany is really urgent, aclive Frederick Gillett of Massachusetts and Means Committee has reported ship George Washington, on which cording to the report just made by President Wilson is returning to the group of fourteen British officers who visited various parts of Germany re cently during a special official investigation. The officers declare that the country is living on its capital as regards food supplies, and that either famine or Bolshevism, probably both, will endue before the next harvest if outside help is not forthcoming. The

need for fats is especially urgent. "It is still impossible to gauge th tary power could revive. Although there is no immediate danger on this score," says the report, "the social and political condition of Germany is sufficiently stable to guarantee the or as Germany is still an enemy country which has not signed peace it would be inadvisable to remove the menace of All Agree That Premier's One starvation by a too sudden abundant supply of food."

The officers believe that the allotmen of foodstuffs could be carefully controlled, but add that, provided they are delivered to authorized representatives entry or a frontier station, there would seem to be no reason for anxiety as to their ultimate equable distribution.

The chief places visited by these offiera were Berlin, Munich, Hamburg, Hanover, Leipsie, Dresden, Magdeburg
